

## Armored Night Hawk

International Armored Group was recently commissioned to custom build a top-of-the-line armored GMC Yukon equipped with the latest technologies available on the market. Various evasive systems, night vision infrared capability and communication devices transform the "Night Hawk" into the ultimate machine. Advanced suspension and brake upgrades together with heavy duty oversized tires with custom steel rims and military grade runflats, provide unmatched handling and off-road performance.

The supercharged engine offers over 550HP allowing for a quick escape from danger situations. From military missions to VIP protection, the **Night Hawk** offers

## IAG Custom-Built Armored Vehicles

Due to the unique requirements and demands of operating in hostile environments, off-the-shelf components are not always suitable for the specific mission. As a manufacturer of a wide range of armored vehicles, IAG is capable of custom builds upon request.

- Custom Armoring: B6 steel with B7 glass, enhanced blast protection technology, armored roof escape hatch, etc
- Accessories: Roof rack for the vehicles equipped with roof escape hatch, oil slick/road tack dispensers, etc
- Performance Upgrades: Super/turbo chargers, performance exhaust systems, advanced heavy duty tires/rims, suspension and brake upgrades, etc
- Interior Customization: Custom seating layouts, VIP privacy screen, custom entertainment systems, communication systems, etc.
