

IAG Armored Ford E350 Passenger Van

The Armored Ford E350 passenger van offers a safe and reliable ride through the harshest of environments. The armored Ford E350 has a seating capacity for 8 to 10 passengers, and is available in a 5.4L V8 or 6.8L V10 petrol engine with 4 or 5-speed automatic transmission.

The Armored Ford E350 passenger van can be armored to CEN B6 armor, which protects against the 7.62 x 51mm NATO round and blast threats such as IEDs. The armored Ford E350 is ideal for transporting a number of individuals to and from destinations, or important cargo. The size of the vehicle coupled with IAG Smartarmor technology provides superior protection to complete a variety of tasks.

Basra International Oil and Gas Conference and Exhibition 2011

International Armored Group will be exhibiting at the 2011 Basra International Oil and Gas Conference and Exhibition held in Basra, Iraq. The event will take place between November 25 and November 28, 2011. Following the extreme success of the conference last year, this year the number of exhibitors has increased to over 150 organizations from around the world occupying 4500sqm of exhibition space. The Basra Oil and Gas conference is an important event for those who wish to shape and protect the growing Iraqi industry at large. IAG will be attending in order to showcase our latest products in secure personnel and passenger transport. We look forward to seeing you there.
