

New Models

For 2009 IAG introduces the all new and completely redesigned B6+ armored Toyota Land Cruiser 200, specifically engineered for Military, NGO and Private Security Companies' usage. Findings from our R&D department suggest that this new design offers far better ballistic, as well as, blast protection than the standard CEN B6 armored vehicle.

For information regarding the above and much more place your queries [here](#).

Company News

New Look same Philosophy

As part of our rebranding process we would like to introduce the new IAG logo to all our clients and partners in business.

For updates regarding these and much more please [subscribe](#) for our E-newsletter service.
